Dear Mr. Jones:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated April 17, 2014 regarding our 2013 November monthly FEC report.

Any payment previously described as "Advance Consulting Services" now reflects the purpose of disbursement as "Travel Reservation/Booking Services", which is the nature of the service provided to the Committee by that vendor.

The Committee issued a refund of \$5,000 on April 25, 2014 to Mr. John F. Grundhofer, and this refund will be disclosed on the Committee's upcoming May 2014 monthly report due on May 20.

The transfer receipt of \$32,400 from Mr. Charles Schwab was actually designated by the donor for the Committee's Recount Fund. The amendment for this report now correctly reflects this transfer amount as a receipt for the Recount Fund.

The Committee also received your RFAs for the 2013 December monthly and year-end reports, and for the 2014 February monthly report. We have filed amendments for each of these three filing periods to reflect the applicable change in purpose of disbursement to "Travel Reservation/Booking Services".

The amended 2013 November and December monthly and year-end reports also reflect the revised Column B aggregate totals for lines 12 and 17.

Sincerely:

Keith A. Davis, Treasurer
National Republican Congressional Committee
